What You Get

When you sign up for Help Desk Service you'll enjoy live, Canada-based, 24/7 technical support on software and hardware products from certified frontline-support technicians.

Please contact us for a complete list of supported software, hardware and applications.

The Human Touch

Our friendly customer-service team will use industry-leading internal processes to expertly troubleshoot your technical issues.

Quality Assured

Phone calls are randomly recorded and monitored by a trained quality-assurance team.

Two Levels of Support:

Level 1 Help Desk: Benefit from a call-answering service, troubleshooting and call-logging, using a populated knowledge base to resolve the incident at first point of contact.

- *Windows and Apple workstation troubleshooting and triage*
- *Desktop peripheral hardware included*
- *Issues resolved using remote control*

Level 2 Help Desk: Additional troubleshooting assistance is provided. If a call can't be resolved, predefined call-escalation processes will elevate the issue to a qualified expert.

- *Includes all support features of Level 1 Help Desk*
- *Server-based password resets*

Key Help Desk Features:

- Domestic call center
- ITIL best practices
